Marigold Twinkletooth and the Star-Coin Surprise

Losing a first tooth just got magical.

The night before her first T-ball game, Ariel loses her first tooth—and suddenly has a lot of questions.

When a slightly clumsy tooth fairy crashes into her room, the night fills with glittery mishaps, magical surprises and one unforgettable star-coin.

A heartwarming story that helps children face firsts with courage, curiosity, and wonder.

Perfect For

- First lost tooth milestone
- Pediatric dentists and waiting rooms
- Bedtime and classroom read-aloud
- Social-emotional learning (confidence & change)

Comparable to:

- *Bear's Loose Tooth* by Karma Wilson
- *Arthur's Tooth* by Marc Brown
